

SUTRA 25

Amadeus India was delighted to be part of the recent Uniglobe event – Sutra 2025, bringing together their own partner network and industry partners from across the travel ecosystem. We had meaningful conversations, new collaborations, and reinforcing our shared commitment to creating smarter, more connected journeys.

At Amadeus, we are committed to empowering our partners with cutting-edge technology, data-driven insights, and solutions that drive growth and efficiency. Events like these provide a fantastic opportunity to engage, exchange ideas, and explore how together we can shape the future of travel.
