

We are pleased to welcome **FitsAir** (IATA code: 8D) to our network. Officially known as **FITS Aviation (Pvt) Ltd.**, FitsAir is a privately owned Sri Lankan airline based in Colombo. The airline operates both passenger and cargo services across South Asia and the Middle East and is a part of Aberdeen Holdings. FitsAir is recognized for its efficient operations and growing regional connectivity, with aspirations to expand its global presence.

Currently, FitsAir connects **Colombo** with destinations such as **Male, Dhaka, Kuala Lumpur** and **Dubai**. They plan to launch flights to **Kuwait, Riyadh, Jeddah, Bangkok, Singapore, Jakarta, Bangalore, Chennai, Trichy,** and **Trivandrum**.

Throughout our engagement with FitsAir, we highlighted this partnership as a significant strategic move. By enabling FitsAir to distribute its flight content globally via the Amadeus Travel Platform, we aim to help them reach new markets, deliver greater value to customers and partners, and accelerate their international growth.
